Dear Eric Newman

You may recall that I said that I had photographed the grave of Col Green in Bellows Falls, VT. I found our photo album that has the pictures. I digitized the pictures of the monument, and they are attached. I have included three of the four sides of the monument. I have a picture of the other side, but it is way out of focus. The Colonel, his parents, and his sister Sylvia are buried there. I have no idea where Sylvia's husband Matthew Wilkes is buried or even why they weren't buried next to one another.

Tell Bernard I said hello. I would like to visit your museum this summer if arrangements can be made.

Hope all is well with you.

Dear Frank:

Maybe Hetty Green did not like her son in law because he did not pay for his burial plot or owed her some money when she died.

My museum will welcome you any time you come.
I will give Bernard your greetings .

It is a pleasure to hear from you.

Eric
